**Parents, please read this section with your child before signing below:**

Trillium Charter School is a constructivist, mixed-age learning environment. Our curriculum requires that students be able to work both independently and cooperatively in groups. Students are required to be willing participants in their own education and to take the responsibility of their own learning seriously. Students are required to participate in Trillium's Democratic Governing system.

Parents are required to support their students in a variety of ways, including but not limited to, ensuring their students attend school on a regular basis, arrive on time and ready to learn, and come prepared for all scheduled off campus activities. Parents are required to attend all parent-student conferences, and scheduled teacher meetings.

While Trillium offers many experiences outside the public school norm, we also lack some services. We do not have a Student Management Specialist to handle discipline issues, nor a Vice Principal. However, we do have Special Education assistance provided by the PPS District. We are able to provide transportation on existing district bus routes and we do provide free/reduced breakfast and lunch service for those who qualify.

**Non-Discrimination Policy:** No student, employee, or applicant for employment at Trillium Charter School shall, on the basis of race, color, gender, age, sexual orientation, religion, national origin, marital status, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any employment or educational program or activity.

**I understand the above and support my child's application to Trillium Charter School.**
