

Trillium Charter School
Japan Trip 2011
For 2 Weeks in JUNE 2011

(Application due: by June 4th 2010)

Cost: \$ 1450* plus Airfare (ca. \$ 1000 ~ \$ 1,200) per person.

*This price is the group size of 3 participants. If there are more participants, this price will lower.

To: All high school and Middle school students

For the next school year, I am planning a Japan Trip again for high school students AND Middle school students! This program has been successfully carried out for 5 years and the coming Japan trip will be the sixth one by Trillium!

The trip is based on about a two-week experience with a Japanese host family, (each student will have own host family) and will attend Japanese HS everyday. The name of the school is Sakuyo High School in the state of Okayama/Japan, which we are working in full cooperation with. You will have a chance to make a lot of Japanese friends, and experience Japanese traditions.

The trip includes great field trips (the old capital city Kyoto, Hiroshima peace museum, etc) and Japanese cultural classes such as tea ceremony, flower arrangement, martial arts, etc.

If you consider studying Japanese next year or you are already in Japanese class, join this program and take advantage of this wonderful opportunity of a lifetime!

Check the back of this page to see how to apply.

If you have any questions, please contact Yoko (yoko@trilliumcharterschool.org)

* This school year (2010-2011), we will be fundraising for this Japan trip. This will also help to the price down or may go towards extra field trip, longer stay, etc.

*If you are parents of (students-)participants and interested in participating this trip, please contact directly Yoko for more information.
