Equipment Responsibility Agreement**

We are requesting that Trillium Charter School allow our child(ren) to use the facilities and equipment of TCS. In this regard, we make the following statements and promises:

1. We understand that the use of the TCS equipment includes computers, checking out portable equipment (ie: video cameras, digital cameras, etc.) as well as other possible sophisticated and expensive equipment.
2. We agree to assume full responsibility for our child(rens) use of TCS equipment, including replacement and repair in the event of loss or damage.
3. We further agree to assume full responsibility for any excessive or deliberate damage to school facilities and other school equipment (furniture, etc) that our child(ren) are responsible for, including replacement and repair of such facilities or equipment.
4. We are asking TCS to allow our child(ren) to reserve, check-out and use TCS's equipment on an on-going basis without further need to secure our consent. We ask and understand that this request and agreement will continue in effect and will apply to all subsequent use by our child(ren) of TCS's equipment until we notify TCS in writing to the contrary or we are notified by TCS that are no longer eligible to participate in the lending program (at TCS's discretion).
