

**Trillium Charter School
Field Trip Driver Insurance Information**

Trillium Charter School students participate in many off campus learning opportunities. Trillium relies on both public transportation as well as private parent vehicles to transport students on field trips. **Since Trillium does not own school buses, we need parent drivers to help facilitate this critical learning experience for our students. All parent drivers must have current automobile insurance and registration information on file in the school office.** If you anticipate that you may drive students other than you own any time during this school year, please fill out the form below. **Also, attach a copy of your current automobile registration as well as insurance policy information.**

These statements attest to my having met the following criteria regarding operation of a private automobile for the transportation of Trillium Charter School students on a scheduled field trip.
